YES welcomes its new Global Partner Hull Youth Enterprise Partnership

Brussels, Belgium, September 28, 2009 – YES–European Confederation of Young Entrepreneurs is welcoming the Hull Youth Enterprise Partnership (UK), its new Global Partner, committed to the vision of growing the City's economy for the benefit of young people and facilitating opportunities to widen the entrepreneurial spirit of the City of Hull.

The Hull Youth Enterprise Partnership is building on a city-wide partnership network consisting of 64 members, established in order to foster the influence of major partners in supporting Hull's young entrepreneurs.

The mission of the Hull Enterprise Partnership is to strive for and secure a positive and sustainable future for the City and its young people. Its primary goals are to support and encourage young people aged 8-25 to become more enterprising and to overcome social and economic barriers that young people face enabling them to become more employable.

YES shares the visions of the Hull Youth Enterprise Partnership and looks forward to fruitful future cooperation.
